### Transportation

#### ***From the Airport***

The hotel and the UCSD campus are about 15 miles (20-30 minutes) north of [San Diego International Airport](#). Information about the airport and local transportation is available [San Diego International Airport web site](#).

#### ***Walking***

It's about a 15 minute walk from the hotel to the Seaside Forum along the beach or street. Please see the maps on the next pages for the walking route.

#### ***Parking***

Maps of the San Diego area and the area immediately around the Scripps Seaside Forum are on the next few pages. There is no public parking at the Forum itself (if you park in their lots without a permit/assigned spot you will be ticketed), so we recommend parking at the Kellogg Park parking lot (see map). Parking is free and the park is a 10 minute walk from the Forum (see map for walking route) and we will also have a shuttle pick up attendees at the entrance to the parking lot (and drop them off in the evening). If you arrive early there is also legal street parking on El Paseo Grande.

#### ***Shuttles***

Two shuttles will pick up (AM) and drop off (PM) LIPID MAPS meeting attendees:

1. At the La Jolla Shores Hotel, 8110 Camino Del Oro (at Avenida de la Playa).
  2. At Kellogg Park entrance – corner of Camino del Oro and Calle Frescota (free public parking lot).
- Pickups both mornings at both locations at 7:15 AM, 7:30 AM and 7:45 AM.
  - Evening pickup from Scripps Forum for drop-offs at both locations is at 8:15 PM on Monday, May 2 (and if necessary 15 minutes later until all passengers transported) and at 4:30 PM on Tuesday, May 3 (again with additional pickups until all passengers transported).
