

# Welcome to the LIPID MAPS® Newsletter

## May 2025

### LIPID MAPS® Webinars, Series 6

#### Upcoming Webinar

We are happy to announce that our next webinar will be presented by **Mark Nixon**, titled: 'From Circulation to Cell: Steroid Trafficking in Cardiometabolic Health and Disease'.

This webinar will be on Tuesday 27<sup>th</sup> of May at **09:00 PDT | 12:00 EDT | 17:00 BST | 18:00 CEST**

We look forward to you joining us for our webinar to ask your own questions!

Don't miss out on this  
**free** webinar:

**Register Now**

*Spread the word and encourage your network to join us!!*

#### Previous Webinars

##### Watch Here

View our webinars  
now and learn  
something new!

Last month's webinar presented by the wonderful **Lisa Butler** is now on our [YouTube Channel](#), along with any other previous webinars you might have missed.

Watch 'Identifying and targeting lipidomic drivers of aggressive prostate cancer' to discover more!!

*Subscribe to our LIPID MAPS YouTube Channel so that you don't miss these incredible resources!*

#### Explore the LIPID MAPS Podcast Series

Our newly redesigned Podcasts Page, where you can access the complete collection of LIPID MAPS podcasts now has a 'Subscribe' feature. Hosted by Dr. Matthew Conroy, each episode features in-depth conversations with leading experts in lipidomics, covering topics such as marine lipids, clinical applications, and the evolution of lipid research.

*Subscribe to our Podcasts  
here*

[View our Podcasts page](#) and stay informed about the latest developments in lipid science by tuning in to our insightful Podcasts

*You need an RSS feed reader  
to subscribe*

#### Join LIPID MAPS across Social Media

Our presence is growing! We are now on Facebook, Instagram, BlueSky, and LinkedIn. Choose your platform(s), click the icon and follow us to stay connected!

### Upcoming Conferences and Events

**\*\*Featured Event\*\***

**BMSS Lipidomics SIG Meeting 2025**

**We are thrilled that this year's BMSS Lipidomics Meeting is being supported by LIPID MAPS!!**

The aim of the BMSS lipidomics special interest group is to provide a forum for discussions, training and to connect researchers working on mass spectrometry-based lipidomics.

**Don't miss out register  
HERE NOW!!**

**July 8, 2025  
Cardiff University, Wales, UK**

\*\*\*\*\*

### Hydroxynonenal (HNE) Club Meeting

Inspired by the pioneering work of Professor Hermann Esterbauer, who discovered and characterized 4-hydroxynonenal (HNE), a major product of lipid peroxidation, the HNE Club is an informal group of scientists interested in redox biology, oxidative stress and, above all, lipid (per)oxidation.

**Registration Link:** <https://www.sfrrgalway2025.com>

#### **Event Details**

**Date:** June 7, 2025

**Venue:** Galway, Ireland

### Oxylipins, Lipophenols, Lipopeptides: Promising Biomolecules for Diabetes, Cardiometabolic Diseases, and Other Pathologies Workshop

Join this one day workshop for free and discover a wealth of knowledge!

*Participation is **free**, but **mandatory registration** is required to attend the workshop. Because we have limited places, please ensure you register by the 1st of June*

**Registration Link:** <https://forms.gle/g3A5WEDcknTguKxY9>

#### **Event Details**

**Date:** June 13, 2025

**Venue:** Montpellier, France,  
Amphithéâtre du CNRS, DR  
Occitanie Est

### OMALI Workshop

This event will feature an outstanding scientific program, covering key topics in marine lipidomics, from advanced analytical techniques to technological applications.

*This workshop is organized in collaboration with EuroMarine (European Marine Research Network)*

**Registration Link:** <https://forms.gle/S4TydtgX1Uctwn2v7>

#### **Event Details**

**Date:** June 16 – 18, 2025

**Venue:** The University of Aveiro

### 21<sup>st</sup> Annual Conference of the Metabolomics Society

The conference includes; cutting edge plenary sessions, advanced keynote presentations, workshops and a large exhibit hall with industry vendors and hundreds of academic posters on display.

**Registration Link:** <https://www.metabolomics2025.org/>

#### **Event Details**

**Date:** June 22 - 26, 2025

**Venue:** Prague Congress Centre

### ICBL 2025

Join the 65th edition of the International Conference on the Bioscience of Lipids (ICBL) meeting for engaging presentations, interactive

#### **Event Details**

**Date:** September 24 -27, 2025

sessions, and networking opportunities, as they aim to facilitate the exchange of knowledge, ideas, and insights that will shape the future of lipid science.

**Registration Link:** <https://icbl2025.at/registration/>

**Venue:** Ágnes Heller Haus,  
Innrain 52a, 6020 Innsbruck,  
Austria

---

## 29th International Symposium on Separation Sciences

The symposium focuses on the fundamental and practical aspects of separation and detection methods, sample preparation and related or combined and miniaturized techniques applied for analytical, food chemistry, preparative and industrial purposes.

**Registration Link:** <https://isss2025belgrade.rs>

### **Event Details**

**Date:** Sept 25 – 27, 2025

**Venue:** University of Belgrade,  
Belgrade, Serbia

---

## Euro Fed Lipid Congress & Expo

The 20th Euro Fed Lipid Congress will be an unparalleled platform for scientists, industry leaders, and professionals to exchange knowledge, forge new partnerships, and address emerging scientific challenges.

**Registration Link:**

<https://veranstaltungen.gdch.de/microsite/index.cfm?l=11649&modus>

### **Event Details**

**Date:** Oct 12 -15, 2025

**Venue:** Leipzig, Germany

---

## Gerli

This highly anticipated event in the lipid biosciences community will bring together leading researchers to discuss the latest advancements in lipid biology in various organisms. A large diversity of topics will be covered including Advanced Approaches for Lipid Research, Lipid Cellular Functions, Lipids in Autophagy, Membrane Biophysics and Membrane Contact Sites, and Lipids in Metabolism and Cancer.

**Registration Link:** <https://www.gerli.com/congres/welcome-to-gerli-20th-lipid-meeting/>

### **Event Details**

**Date:** Nov 3-5, 2025

**Venue:** Conference Hall CCI  
Campus Alsace, Strasbourg

---

## Inserm Lipidomics Workshop: Lipidomics: principles and applications in the field of health

The workshop has a varied program, that will address the analytical challenges of our field, illustrated by concrete applications. You will have the opportunity to engage with a panel of international experts over two days, who will share their knowledge and expertise with you.

**Registration Link:** <https://ateliersinserm.dakini-pco.com>

### **Event Details**

**Date:** Dec 1-3, 2025

**Venue:** Hôtel Mercure Bordeaux  
Chartrons
