

Welcome to the LIPID MAPS® Newsletter

April 2025

LIPID MAPS® Webinars, Series 6

Upcoming Webinar

We are thrilled that our next webinar will be presented by Lisa Butler, titled: 'Identifying and targeting lipidomic drivers of aggressive prostate cancer'.

As our speaker is in **Australia**, this webinar will be on Tuesday 29th of April at **07:00 EDT | 12:00 BST | 13:00 CEST | 20:30 ACST**

We look forward to you joining us for our webinar to ask your own questions!

Upcoming Conferences and Events

*****Featured Event*****

BMSS Lipidomics SIG Meeting 2025

We are thrilled that this year's BMSS Lipidomics Meeting is being supported by LIPID MAPS!!

The aim of the BMSS lipidomics special interest group is to provide a forum for discussions, training and to connect researchers working on mass spectrometry-based lipidomics.

**Don't miss out register
HERE NOW!!**

July 8, 2025

Cardiff University, Wales, UK

Hydroxynonenal (HNE) Club Meeting

Inspired by the pioneering work of Professor Hermann Esterbauer, who discovered and characterized 4-hydroxynonenal (HNE), a major product of lipid peroxidation, the HNE Club is an informal group of scientists interested in redox biology, oxidative stress and, above all, lipid (per)oxidation.

Event Details

Date: June 7, 2025

Venue: Galway, Ireland

Oxylipins, Lipophenols, Lipopeptides: Promising Biomolecules for Diabetes, Cardiometabolic Diseases, and Other Pathologies Workshop

Join this one day workshop for free and discover a wealth of knowledge!

*Participation is **free**, but **mandatory registration** is required to attend the workshop. Because we have limited places, please ensure you register by the 1st of June*

Registration Link: <https://forms.gle/g3A5WEDcknTguKxY9>

Event Details

Date: June 13, 2025

Venue: Montpellier, France,
Amphithéâtre du CNRS, DR Occitanie Est

OMALI Workshop

This event will feature an outstanding scientific program, covering key topics in marine lipidomics, from advanced analytical techniques to technological applications.

This workshop is organized in collaboration with EuroMarine (European Marine Research Network)

Registration Link: <https://forms.gle/S4TydtgX1Uctwn2v7>

Event Details

Date: June 16 – 18, 2025

Venue: The University of Aveiro

21st Annual Conference of the Metabolomics Society

The conference includes; cutting edge plenary sessions, advanced keynote presentations, workshops and a large exhibit hall with industry vendors and hundreds of academic posters on display.

Registration Link: <https://www.metabolomics2025.org/>

Event Details

Date: June 22 - 26, 2025

Venue: Prague Congress Centre

ICBL 2025

Join the 65th edition of the International Conference on the Bioscience of Lipids (ICBL) meeting for engaging presentations, interactive sessions, and networking opportunities, as they aim to facilitate the exchange of knowledge, ideas, and insights that will shape the future of lipid science.

Registration Link: <https://icbl2025.at/registration/>

Event Details

Date: September 24 -27 2025

Venue: Ágnes Heller Haus,
Innrain 52a, 6020 Innsbruck,
Austria

29th International Symposium on Separation Sciences

The symposium focuses on the fundamental and practical aspects of separation and detection methods, sample preparation and related or combined and miniaturized techniques applied for analytical, food

Event Details

Date: Sept 25 – 27, 2025

chemistry, preparative and industrial purposes.

Registration Link: <https://iss2025belgrade.rs>

Venue: University of Belgrade,
Belgrade, Serbia

Inserm Lipidomics Workshop: Lipidomics: principles and applications in the field of health

The workshop has a varied program, that will address the analytical challenges of our field, illustrated by concrete applications. You will have the opportunity to engage with a panel of international experts over two days, who will share their knowledge and expertise with you.

Registration Link: <https://ateliersinserm.dakini-pco.com>

Event Details

Date: Dec 1-3, 2025

Venue: Hôtel Mercure Bordeaux
Chartrons
